For Service Providers

If you're looking to develop your business, joining the Pro-Team BD team could be the right next step for you and your business.

Growing SME's Through Outsourced Business Development Resource

Introduction To Pro-Team BD

With many years' experience in managing the Sales and Biz Dev processes we understand the challenges experienced by many companies. That's why we have carefully selected a full range of Sales & Business Development Professionals to meet the needs of most businesses, across most sectors.

Our clients are looking for outsourced professional and experienced Sales & Biz Dev people to support their business goals. Pro-Team BD pride ourselves on finding the right fit to best meet our clients' needs.

By joining the Pro-Team BD team as a service provider, you remain in control of your fees structure and the contracts you take on. If you can demonstrate your skills and are a sole proprietor or a larger company, our clients need you.

How your business can help our clients

Below are just some of the services our clients require. If the service you provide isn't listed, please do get in touch as the full range of support our clients need is far greater than can be listed here.

- Audit of current strategy & processes
- Strategy development, implementation & management
- Growth support & entry to markets
- Email, telemarketing & lead-gen providers
- Digital marketing, salespeople, networkers and lead converters
- Trainers, coaches & mentors
- Social media management & campaigns

How it works

If you wish to take the next step in developing your own business, by offering your services on a greater scale to a diverse range of clients, joining the Pro-Team BD team of outsourced service providers could be the right next steps for you.

Connecting exceptional businesses with exceptional people is what we do.

Pro-Team BD take out the leg work of finding, onboarding, and managing clients. Leaving you to do your valuable work, for clients who really need and value your input.

We will speak with you to understand the services you offer and the fee you wish to charge. As clients come to us looking for the services you provide, we will put you forward as a viable option, should you meet their requirements. We will, of course, speak to you first to check your suitability and availability.

Pro-Team BD will work alongside you to manage our clients Biz Dev strategy and maintain a fruitful and long-lived relationship between us, you and our client.

It costs nothing to register as one of our Professional Service Providers. For services procured following the Pro-Team BD introduction we will charge a percentage of the fee paid by the client to the provider. The fee is agreed at the initial Suitability Discussion. Meaning

everything is 100% transparent with no surprises for anyone.

We Keep It Easy For Everyone

- We discuss the client requirements
- We agree the service you can provide
- We agree the costs to the client and our fee with you
- We gain your consent to share your information with the client
- If chosen as a potential provider by the client, we'll introduce you to make the final arrangements
- We let you know if you were not selected by the client and provide feedback as appropriate
